

# Display Board A3 Front

420 x 297mm

Place your design within '**Artwork**' layer and **delete 'Guide' layer** once finished.

*Failure to remove guide layer will result in template printing over artwork design.*

**Please ensure:**

- Colour: CMYK (RGB will be converted)
- Fonts: Embedded or converted to outlines
- Image Resolution: 300dpi or higher
- Crop marks and 3mm bleed are included
- Accepted format: PDF (one file)

Please note **5mm drill holes will be drilled 18mm from edges to hole centre**. Ensure **orientation of artwork is supplied the right way up** for selected drill holes to be placed in the correct corners.

**Finished Size** - This is the finished size of the product once trimmed.

**Safe Area** - We recommend keeping text and images out of the grey area, remaining in white box.

**3mm Bleed** - Please extend your artwork into the bleed if you are using full colour or imagery in the background. Anything within this area will be removed once trimmed.

**Drill Hole Guide** - These circles indicate where the 5mm holes will be drilled if selected as a finishing option. Please make sure text within your design does not overlap this area.

# Display Board A3 Back

420 x 297mm

Place your design within '**Artwork**' layer and **delete 'Guide' layer** once finished.
